Probation Service

East Area Outcomes

Love Your Neighbourhood
and
Project Clean Streets

Key milestones:

Love Your Neighbourhood

Love Your Neighbourhood launch

Cave Street, March 2024

71 Streets have been visited by Love Your Neighbourhood in the East Area

6 Streets visited ad-hoc

Community Engagement

Every Love Your Neighbourhood activity has a patch walk to identify necessary works. Once an area is complete, an outcome document is produced to celebrate performance. This is shared with neighbourhood coordinators and partners.

Joint working approach to footpath maintenance

Linked to Highways capital programme, £2 million budget.
21 footpaths in the East area have been identified for improvement works

Key milestones:

Project Clean Streets

Community Payback partnership

Rapid deployment of teams - made up of offenders serving unpaid work sentences, to clean up littering, fly-tipping and graffiti across the city

Ministry of Justice partnership

Hull City Council is in the second phase of ‘Project Clean Streets’, a Ministry of Justice initiative that aims to transform communities and combat anti-social behaviour

Launch of Project Clean Streets pilot

November 2023

Working with teams across the service

We coordinate waste collections. We also provide any equipment needed such as hi-vis, gloves and litter-picking equipment.
