Question 7 – Any other feedback.

- NPPF is about sustaining resource not adding cost and time implications.
- “It is not a good idea to pub buildings on a Heritage list and it stops investors wanting to buy buildings that have so many obstacles to make habitable etc.”
- “When we purchased the property it was not listed. We therefore don’t wish for any part of it. To be list any on any heritage list. This is not the reason why we bought it” (Hastings).
- Oppose due to potential incurring of costs.
- Do not want extra implications if having to face demolition etc.
- Trinity Almhouses are well maintained without external interference.
- Concerns about time delays.
- Any planning permission requirements will complicate and increase maintenance expense (Lambert Street nursery).
- General objections to the principle of the list.
- Alfred Street – building not good enough state to be kept on the Local List.
- An Article 4 Direction may affect Maizecors ability to self the Wincomlee Granary.
- Hastings:
    - Change of use unnecessary and adds costs.
    - Article four will impost time and final restrictions.
