20	<p>NORTH AREA PLAN DELIVERY – AMBITION 1</p> <p>The Director of Legal Services and Partnerships submitted a briefing paper which outlined the Area Plan ambition, priorities and actions to which the appendices related to facilitate discussion on how to progress to meet the strategic vision established within the Plan.</p> <p>The officers gave an overview of appendix 2 around Community Safety and Hotspot areas within the North area.</p> <p>Members were informed that over the past 12 months there had been over 13,500 crime incidents with 45% of those being violence/sexual offences, 81% as nuisance anti social behaviour, all within the North Area.</p> <p>Discussion took place around flytipping and how this was more prevalent in the summer months. Whether specific decoy cameras could be used to try and alleviate flytipping, especially in identified hotspot areas. Also what proactive work was being done around the layout of new housing schemes to help with the prevention of flytipping.</p> <p>The Community Manager, Neighbourhoods and Housing advised Members that all the information discussed was available to access on the council dashboard, with discussions</p>	

	<p>taking place at Ward Briefings.</p> <p>Members highlighted that meeting the ambitions set out in the Area Action Delivery Plan should be led by the Area Teams consulting with the Service Areas, making them responsible for targeted priorities raised within their service.</p> <p>Members asked whether there was one single portal for residents to access to help with the reporting of anti social behaviour, etc; in which the officer advised that there were several ways for residents to report and would provide this information to Members off agenda.</p> <p>Members were also informed that Hull had been awarded approximately £100,000 from the Home Office Hotspot Action Fund, for delivery across two geographical hotspot areas, being City Centre and Beverley Road/Soring Bank and Princess Avenue.</p> <p>Further discussion took place around the Tier System that was currently being used by the Humberside Police to help tackle anti social behaviour, and how this had worked effectively in the City Centre. However the Police were aware that those individuals would move on, increasing anti social behaviour in another area, which was currently being looked into.</p> <p>Members requested that more data around anti social behaviour be provided alongside a pie chart going back to 2022 for comparison.</p> <p>The Community Manager, Neighbourhoods and Housing informed the Committee that there would be two more pocket parks developed in the North area.</p> <p>The Committee were informed that unfortunately the officer from the Humberside Fire and Rescue Services had to give there apologies and any questions Members had to please provide to the Community Manager, Neighbourhoods and Housing or the Democratic Services Officer for these to be directed to the officer.</p> <p>Agreed –</p> <ul style="list-style-type: none"> a.
