Ref	Date of CPF Meeting	Area Committee Ward	Applicant	Project Summary	CPF Sub-Committee Decision	Reasons for Decision	Action Following Meeting	Grant Approved
CPF3/4	23.02.23	East	INGS - Neighbourhood Coordinator supported by Ward Cllrs & the NPT	To support funding the installation of CCTV at Ings Skate Park (Bellfield) & Grasby Park. Both sites have been subject to vandalism and, ASB. Project Total costs £26,400. Match Funding from Ings ward capital budget -£7,920 (30%). Project grant request Total costs - £18,480. The project has been developed in full partnership with Civic. The costs relate to the upgrading of current CCTV coverage of the two sites through the provision of full fibre connection upgrades. There are a total of 2 cameras that will be upgraded to ensure coverage at each site. In summary the measures are as follows; (i) x 2 @ £7000 each Wireless connection; (ii) x 2 @ £3000 each KCOM, and (iii) 2 @ £3200 fibre upgrade	Approved, subject to the CCTV privacy impact assessment by the Control Room Manager	Approved	PROJECT PROGRESSING - NC Update 13.3.24 - No further feedback received - Humberside Police are also going to raise concerns about the delays at the next SHIP meeting. CMs raised with Chair 12.3.24 who advised to table delayed schemes at the next CRF sub committee meeting for discussion. July 2025 - Safe Systems of Work approved to enable operatives to access the roof of bayswater Court to install the CCTV upgrades. Await installation of equipment and connection to citywide CCTV network. project being monitored through East based tasking partnership.	£18,480
CPF4/7	27.03.23 & 27.07.23	North Avenues	Mosque & Islamic Institute	CCTV installation and security gate. Improve security & safety for the users of the facilities at the Mosque, by preventing & deterring criminal activities, including hate crime based on race & religion. Total project cost - 11,719.15. Cost comprises of (i) installation of security gate - £2,500 and (ii) CCTV system - £9,219.15. Total grant requested - £11,719.15 (100%). Application identifies 'in-kind' match funding in terms of project management, site preparation and safe access/egress systems during the works.	CPF 24.07.23 - Approved after deferred application. Application approved for funding, without the gate, subject to further detailed costings but on the basis that CCTV provision is included in the Council's Civic One function.g) That, application reference CPF4/7, be approved for funding, without the gate, subject to further detailed costings but on the basis that CCTV provision is included in the Council's Civic One function.	Discussion took place around (i) the circumstances of this application including specific issues relating to its location in Pearson Park such as not being able to have bright lights due to the bats, (ii) whether it was part of the Pearson Park Trust properties and the possible links to the Council's Civic One function	21.05.2025 - NC to provide monitoring information. PROJECT PROGRESSING - funds being released CCTV ONLY. . NC Update 14.3.24 - funding has been secured from Ward budget for the fencing part of the project. Quotes from a new company for CCTV should be received shortly.	£9,219.15

OFFICIAL

CPF4/8	27.03.23	North	Orchard Park	Orchard Park Ward Councillors	<p>CCTV provision across the Orchard Park Area. Enhancement of CCTV coverage of the Orchard Park Neighbourhood as identified by partners and in response to instances of ASB. Total project cost £22,791.22 for 3 x VMotion deployable cameras provided by Open Reach at a cost of £7,417.14 per unit with a 3-year data package starting from 3180 per unit.</p>	<p>Approved an allocation of £20,000 subject to review of the type of camera and where it will be located as well as confirmation of the ward budget allocation to cover the funding gap.</p>	<p>Discussion took place around the location of the cameras and ensuring the model was the right one for the location.</p>	<p>21.05.2025 - NC to provide monitoring information - PROJECT PROGRESSING - 24.01.2025. The camera pole has been installed on Hall Road, near Tesco, the other two Cranbrook and further along Hall Road adjacent to Mildane were due to be installed at the same time but MS3 and BT have now installed telecoms hardware across our civil works which has prevented installation. We have undertaken a further survey to relocate these two. I am working with Safe Space and Open View to submit the permits for civil works to be undertaken so that the poles are installed. Once the work in relation to safe working spaces for the high-rise buildings has been completed, we can then connect the cameras via a micro wave link to the high rise and then to Festival House. I don't have an exact time scale for the works to be completed as there are a number of interdependencies that I can't control. 15.02.2024 Site visits undertaken November 2023 and installation of units progressing. Updates to be provided in due course.</p>	£20,000
CPF5/1	22.05.23	Citywide		Outkast Panda Crew CIC	<p>Preventative approach to anti-social behaviour - Engaging with young adults (14-24 year olds) as car enthusiasts, offering support and encouragement with Vehicle Maintenance & Road Safety Training. The project covers a wide variety of areas from building our showcase Peugeot 106 to forming a pit crew at a Time Attack event providing avenues for development. The course is supported by police, and through this project will now offer a qualification.</p> <p>Project Total costs £24,000, CPF Grant request £12,000, Match Funding 50% £12,000 – own funds.</p>	<p>Approved in principle - That, application reference is supported in principle and that final approval be delegated to the Head of Community Safety and Partnerships and Community Managers in consultation with the Portfolio Holder for Policy delivery, Engagement and Community safety</p>	<p>Applicant project has changed, the project is now offering this to 14-24 yr olds and will now provide a qualification.</p>		£12,000

OFFICIAL

CPF9-01	27.09.2023	North	Beverley & Newland Ward	Northern Neighbourhood Team - Beverley & Newland Ward	Alexandra Play Park – Lighting column and CCTV in the park. The park has been identified for an upgrade and additional accessible equipment to benefit the local community due to the lack of garden space and local greens space. Residents are concerned about problems with youths causing ASB and vandalism which may jeopardise the new park equipment being investment. A solution to the concerns of residents would be to install an external lamppost, which local ward Cllrs will support via the ward budget funds. The CCTV camera will be installed on the new lamppost; the combination of which will make the park safer for users and enable more prosecution of identified offenders should any criminal damage be caused. The project has the support of the Neighbourhood Nuisance Team and Humberside Police, both of whom receive numerous calls for service to this park.	That, application reference CPF9-01, be approved	Approved	21.05.2025 NC request for update/monitiring. PROJECT PROGRESSING - NC Update 14.3.24 - still waiting for a new street light to go in, refurbishment starting end of March 24 - CCTV camera process to be chased up following.	£7,900
CPF9-02	27.09.2023	West	Drypool	The No Way Trust - The Deep Business Centre, Tower Street, Kingston Upon Hull HU1 4BG	Vehicle to support Crime and Safety Awareness Days – currently use a van but due to its age, it is in desperate need of replacement. The project use the van as part of the project delivery throughout Hull in primary and secondary schools. The No Way Trust work to ensure children and young people aged 8-18 are knowledgeable and empowered to make informed and positive choices in their lives. The applicant strives to educate young people, especially those at the risk of poor outcomes, so they comprehend the consequences of their actions, as a result they are therefore less likely to be involved in crime and unsafe behaviours. The van will be used during Crime and Safety Days and Your Choice Days to show the realities of prison life, the vehicle will be adapted to have a small prison cell with a bunk bed, sink, toilet and small tv to show the living conditions prisoners must endure. We have confirmed bookings with schools throughout 2023 & 2024. Any ongoing revenue costs associated with this application will be via fund raising with a broad portfolio of funders to ensure sustainability for the organisation.	In Princliple - That, application reference CPF9-02, be approved in principle on the condition that match funding of £25,000 is secured;	Match funding to be secured £5,000 prior to release.	21.05.2025 - NC request for update/monitoring. Approved - . 25.03.2024 Chairs reply - I'd be keen to support however possible, so would opt not for any other logos than HCC or a CPF specific one.Two options on this – we could ask Comms & Marketing to quickly draw up a logo for the CPF, or we do a standard HCC logo with the words “Hull City Council Crime Prevention Fund” underneath? Chair to discuss with comms and marketing.	£25,000

CPF10-01	23.10.2023	North	Orchard Park	Northern Neighbourhood Team & Neighbourhood Nuisance Team	Sir Henry Cooper Park – <i>The park is an eyesore, and Orchard Park Build Project, are working with partners to look at regeneration and refurbishment of the park due to it falling into a poor state of repair. The park is regularly targeted with fires and ASB. The park contains a MUGA and a playing field (football pitches). We want to bring the 5 hard standing pitches and 1 MUGA back into use. Consultation has taken place and there is a desire to develop the site. Parks and Gardens have been consulted and approve of the proposal but do not have the funds to progress .</i>	Minutes That £25,000 be awarded to application CPF10-01 – Ward & Neighbourhood Nuisance Application, Sir Henry Cooper Park;	Approved	21.05.2025 NC requested for update/monitoring. Approved - . NC update 14.3.24 - Still awaiting costs from Parks for refurbishment/painting and patching, designing and relining. Work to be progressed once costs agreed.	£25,000
CPF10-04	23.10.2023	East		East Neighbourhood Team	Alderman Kneeshaw Playing Field – Lighting, fencing and gating security improvements. The park suffers from issues with anti-social behaviour (ASB) and vandalism from the youths in the area and the community groups, police, ASB officers and local Councillors feel the area around the changing rooms would benefit from dusk till dawn lighting in this area. This part of the park can feel intimidating during the darker nights, on occasions when volunteers and officers have been called out to this area whilst it is dark, they have had to use a torch for light and this left them feeling vulnerable.	That £8,307.65 be awarded to application CPF10-04 – East Neighbourhood Team, Alderman Kneeshaw Playing Field with a request that consideration be made by the project lead to add anti bike measures to address the misuse of bikes within the park;	Approved	PROJECT ONGOING Approved - . Update 13.3.24 - Gates and fencing now complete, lights are almost complete, just waiting for final electrical work to be completed.	£8,308
CPF10-05	23.10.2023	North	Avenue	Avenue Neighbourhood Team	Pearson Park - This application is to fund the design and implementation of new speed humps/safety cushions, additional 20MPH roundels and two pedestrian buildouts for crossing the road at a dangerous junction. The implementation of these measures will reduce the speed of vehicles around the park and help to stop incidents recently seen whereas a post office worker was struck by a speeding vehicle landing them in intensive care in hospital with life changing injuries.	That £25,000 be awarded to application CPF10-05 – Avenue Neighbourhood Team, Pearson Park	Approved	21.05.2025 NC requested for update/monitoring.PROJECT ONGOING Approved - . 25.03.2024 - confirmed the signs are up, couple of delays for further works - work is due onsite imminently Major Projects leading.	£25,000

OFFICIAL

CPF10-06	23.10.2023	West	<p>Riverside Neighbourhood Team</p>	<p>Bean Street Park West Hull – Removal of Park wall and replace safety flooring. The park is being used by groups of adults drinking and using drugs. It is covered in litter every day, dog walkers are taking dogs into the children’s park and training them to bite the swings to make them aggressive and the safety surface has been destroyed under some of the play equipment. Some of the play equipment needs replacing but until the above issues are resolved it would be a waste of funding. The work will propose will complement the capital scheme to replace the equipment. The Police make regular patrols and ask them to leave but the problem is the sightline. There is an external fence with a section of brick wall and then two internal brick walls which slope down into the playground. People are able to sit inside of these walls and not be seen from the road.</p>	<p>That £18,111 be awarded to application CPF10-06 – Riverside Neighbourhood Team – Bean Street Park on the condition that officers must continue to monitor any displacement, to ensure the problem is not displaced into other parts of this location</p>	Approved	<p>PROJECT PROGRESSING 14.3.24 Update .Work has started this week w/c 11.3.24 to safely remove the walls, discussions have taken place regarding which equipment will be added and removed/upgraded. A site visit to see progression and agree further weeks is scheduled 15.3.24</p>	£18,111
CPF11-01	27.11.2023	West	<p>Pickering Ward Neighbourhood Coordinator & Local Policing Team</p>	<p>CCTV TSU mobile camera in two locations, Bethune Avenue and Sibelius road - To reduce antisocial behaviour, including fires in the area, crowds of young people hanging round the shops and causing disturbance and nuisance to residents on the area. There are currently two pop lite in the Pickering ward first on Bethune, which was causing issues, however the use of a TSU camera has meant that the issues have been moved to Sibelius shops where police have installed another TSU camera. These cameras are owned by police and can and will be moved if needed elsewhere. This application is asking for two cameras to be solely for the use in the Pickering ward to help resolve the current ASB issues in the ward until a more permanent solution with HCC Civic 1 cameras being upgraded. There is currently no HCC CCTV in the Sibelius side of the ward.</p>	<p>£6,566 be awarded to application CPF11-01 – Pickering Ward Neighbourhood Coordinator & Local Policing Team for CCTV TSU mobile camera in two locations, Bethune Avenue and Sibelius Road;</p>	Approved	<p>PROJECT PROGRESING Call in period 5th Dec - not sent any documents until after this date. 08.12.2023 admin sent out funding agreement and letters on 5th December 2023 - awaiting signed funding agreement to be returned. 25.03.2024 - Emailed NC for update, advised COMPLETED Dec 2023, monitoring still to be carried out. awaitig reply to press coverage.</p>	£6,566

OFFICIAL

CPF11-02	27.11.2023	West	Derringham Neighbourhood Coordinator, supported by Ward Members	<p>Probe - Security Equipment for the ward - Probe Ltd will undertake target hardening installations to improve security in vulnerable residents' homes, to reduce the likelihood of burglary and to reduce the fear of crime. Equipment will include - <u>5 lever door locks, night latches, restrictors, door chains, window locks, sash jammers, glass guard alarms, door alarms, along with a range of shed and outbuilding security measures</u>. Probe will offer external PIR lighting (solar or battery powered, depending on location) should this be appropriate. A full security survey will be carried out on each property, prior to any installation, to assess weaknesses and levels of insecurity, considering the area, local crime, and the age/vulnerability and specific needs of the resident. The survey will assist in identifying possible points of break-in and can indicate measures to aid against opportunistic burglary and distraction burglary.</p>	£1,000 to awarded to application CPF11-02 - Security Equipment for Derringham ward,	Approved	<p>PROJECT PROGRESSING Call in period 5th Dec - not sent any documents until after this date. 08.12.2023. 08.12.2023 , paperwork sent 5th Dec, agreement signed and returned 07.12.2023. NC progressing. Update 17/1/24 - No evaluation data not available yet - NC to progress. 16.02.204 - No evaluation received as CPF award part of a wider ward budget award. Intention is to request interim evaluation after 6 months i.e. May 2024.</p>	£1,000
CPF12-01	18.12.23	Citywide	Hull & Humberside Polish Community Group	<p>Safer Hull together project - the aim of the project is to demonstrate what a threat cyber- crime is and what cyber protection is. This is the only group in Hull to organise meetings in Polish to discuss the threat of cyber- crime. The group will be able to reach a wider Polish community. There is a lot of Polish community in Hull, unfortunately the biggest problem is the language barrier. During Lockdown and since, there have been limited opportunities to use face-to-face services, with all matters dealt with online or by phone, that has contributed to a huge increase in online crime. Unfortunately, most people became victims due to the trust they placed in either unverified information or unverified companies. The project will support people from the Polish community who have been victims of Internet crime, namely, to show all the places how to report such crimes, as well as when it is best to do it.</p>	Minute 37 - Agreed – That £500 be awarded to application CPF12-01 - the Hull & Humberside Polish Community Group for the purchase of computer equipment to deliver of cyber-crime training.	Approved	<p>PROJECT PROGRESSING Call in period 24th Dec - not sending any documents until after this date. Awaiting funding agreement to be returned. NC Update 13.3.24 – have chased for monitoring and invoice for project.</p>	£500

OFFICIAL

CPF13-01	22.01.24	North	North Carr	Bodmin Road Church/North Bransholme. The Pennine Community Centre, HU7 5EF	CCTV - Adding CCTV to their Community Centre building will enable the project to continue youth and community programmes without the disruption that they have recently encountered due to ASB/criminal activity. The organisation run a highly successful Community Centre on North Bransholme. Around 200 people every week come through the doors for a variety of activities, groups and support. Both Hull City Council and Riverside Housing also run community surgeries from this building. They have a good reputation with residents, local Councillors, Riverside Housing and the Neighbourhood Policing Team.	a. That up to £3,050 be awarded to Bodmin Road Church (CPF13-01) for the purchase of CCTV equipment providing adequate storage and back up is in place for the Police to retrieve evidence;	Approved	21.05.2025 NC request for update/monnitioring. PROJECT PROGRESSING Paperwork sent out after 5 day call in period 27th Jan 2024. Awaiting signed agreement back before funds are released. 14.03.24 - paperwork retruned signed, grant processed. NC to check progression of project. 15.03.2024 - NC spoke with Bodmin Rd Church, confirmed CCTV is installed at Pennine. Nc to carry out monitoring and photo to be added to folder. NC to update press office for press relase etc	£3,050
CPF13-02	22.01.24	North	Central	Hull Sisters	CCTV/Lighting – Training facilities. Hull Sisters support over women from over 18 nationalities in their Centre located on Station Drive, HU5 1AD. The Group supports community cohesion by encouraging integration and participation which increases community safety and reduces hate crime/ racism. The Group support women with practical skills and voluntary experience to develop and increase their confidence levels to leave coercive/abusive relationships and improve their personal and children’s safety as well as the communities they live in therefore reducing crime and pressures on Police services and ASB services. Many of the women who attend Hull Sisters experience poverty and have no recourse to public funds which leaves them in desperate situations sometimes turning to crime to support their families. Many of the women experience loneliness and social isolation which impacts on theirs and their children’s mental and physical health. Hull Sisters creates a safe and welcoming space where access to vital services and support encourages integration and participation in the communities, they live in.	a. That in relation to CPF13-02 the CCTV element of the application be approved in principle providing that a breakdown of the costs are provide and that any equipment purchased is portable; 29.09.2024	Approved	21.05.2025 no rpely from applicant regards further information required to enable funds to be released. Nc to follow up. PROJECT Deferred by Panel 22.01.2024 - . NC Update - 13.3.24 - applicant not sent information back - meeting to be held with NC and CM and group to discuss W/C 25.03.2024 booked in.	£0

CPF13-03 22.01.24	West	Pickering Neighbourhood Co-Ordinator	<p>Gower Park asset improvements – This project will be split into a number of phases; this is our 2nd phase. This phase will include re purposing of the current skate provision within the park. Works will include the removal of the raised concrete skate areas, and replacing the surface area to allow for play surface to be added in future phases. This project meets the capital funding for measures to improve the safety of outside public spaces and new and replacement safety surfacing under play equipment (Phase 3 will include a MUGA). Background detail - The skate park within Gower Park is not being used in its current state. The Park has had a POP lite in place for the last year, however, has been removed as a result of positive on-going interventions in the park. With Ward Budgets and Crime Prevention Funds having already assisted with the installation of a chicane within the fencing to restrict access for motorbikes. Unfortunately, the unfinished skate park continues to attract undesirables, causing ASB such as wheelie bins, motorbike, and rubbish fires causing extensive damage to the surface. The fires continue to be a drain on HCC/ASB/Police and Fire resources. The damaged surface means that the skate park is currently unsafe for residents to use. After consultation with residents, there is a clear desire to</p>	c. That That up to £19,498.21 be awarded for Gower Park asset improvements (CPF13-03),,	Approved	<p>PROJECT PROGRESSING - . 25.03.2024 - NC confirms works started pre easter period and COMPLETED. Monitoring and press update to be carried out.</p>	£19,498

CPF14-01	26.02.24	West	Child Dynamix 50 Boulevard.	Child Dynamix -Replacement Shutters - This will help maintain site security and improve safety of staff and service users as they come to and from the building, particularly in the winter and in poor weather. The current roller shutters are awkward to open and close and leave staff vulnerable as they need to use a small kick step to lock and bolt the shutters leaving staff feeling vulnerable. Ward members have been consulted and agreed to fund £2,000 contribution from the ward budget towards the project.	a. That up to £2,362 be allocated to Child Dynamix (Community Nursery) for replacement shutter blinds (CPF 14-01);	Approved	PROJECT PROGRESSING - Signed agreement sent out, NC to progress	
CPF14-04	26.02.24	East	Citysafe Neighbourhood Nuisance Team	Purchase of 24 CCTV portable units - The Neighbourhood Nuisance team seeks to purchase 24 cameras that will be shared across 4 geographically based teams. This will greatly enhance the Council's Neighbourhood Nuisance Team's capacity in supporting victims of ASB gather evidence to support enforcement action.	d. That up to £5,062.76 be allocated to Citysafe for the purchase of 24 CCTV portable units (CPF14-04),	Approved	PROJECT PROGRESSING - Signed agreement sent out, NC to progress	£2,362 £5,062.76
CPF15-01	25.03.2024	East	Drypool Area Team	Cawood Avenue, Field Street Solar Lighting – Preventative measures to deter fly-tipping and ASB. Cawood Avenue currently has no street lighting. The nearest street lights are on Field Street itself. The Avenue has been identified as one of the top 3 Fly tipping sites in the ward. Due to the fear of crime and fear of trip hazards in the area residents have requested lighting into Cawood Avenue, Field Street. Street lighting was removed from the Avenue several years ago when the properties received	That up to £1,459.50 be allocated to Drypool Area Team for solar lighting on Cawood Avenue, Field Street	Approved	PROJECT PROGRESSING - Signed agreement sent out, NC to progress	£1,459.50

OFFICIAL

CPF15-02	25.03.2024	North	West Carr Neighbourhood Network	<p>Building Security Enhancements – Alf Marshall Community Centre - The area has seen an increase in crime over that last 12 months, especially with criminal damage and burglaries, which is having an impact on the local community. The Alf Marshall Community Centre and staff have also been victims of ASB over the past few months and the team are keen to improve the security further for its users and beneficiaries. We are working with the local community to look at ways to improve the centre and create a safe, secure, and trusted facility for continued community use. The applicant seeks to increase the security of the Alf Marshall Community Centre for staff and beneficiaries, making attendees feel safe and their belongings secure whilst using this community facility. The facility has a lot of vulnerable people accessing the centre’s activities, including the elderly, people with mobility, health issues and learning difficulties, those fleeing domestic violence, those who suffer with mental health issues and young families, all of which have a variety of personal challenges.</p>	<p>That up to £22,500 be allocated to Neighbourhood Network for building enhancement at the Alf Marshall Community Centre. The grant has a condition that any building changes need to be endorsed by the councils property services.</p>	Approved	<p>21.05.2025 NC requested monitoring/progress. CPF15-04	25.03.2024	East	Barham AFC	<p>Two storage containers – The applicant requires storage space for equipment to be stored on Alderman Kneeshaw Park. The applicant has attempted to reduce anti-social behaviour on site however there is still a need for the safe storage of football equipment. We also need to train new football coaches for the growing number of kids that are joining the club as we dont want to have to turn anyone away. The storage unit would benefit the 250 children registered at Barham AFC with membership increasing all the time. There is support from families and local residents who have complimented the group on the difference they are making in the park and making reference saying how nice it is seeing kids being kids again. The group are encouraging residents to report any crimes they see and not be scared to. It is believe that by communicating with residents, park users and local groups we can work together for the greater good of everyone.</p>	That up to £5,850 be allocated to Barham FC for the purchase of storage containers (CPF15-04);	Approved	<p>PROJECT PROGRESSING - Signed agreement sent out, NC to progress</p>		
								£5,850	
CPF16-01	22.04.2024	North	Avenue	North Area Team	<p>Queens Road (Avenue Ward) – Two flashing speed signs - It has been identified at the Place Based tasking that there is an issue with speeding vehicles and dangerous parking in this location. Two flashing speed signs near St Vincent’s VC Academy in conjunction with a review of line markings and highway signage would help to alleviate the problem and make it safer for residents, school children, families, and residents. The flashing speed signs will be installed and maintained by Major Projects who are also investigating the surrounding line markings and all surrounding highways signage and street furniture.</p>	59 a. That up to £11,000 be allocated to the North Area Team for two flashing speed signs along Queens Road (CP16-01);	Approved	<p>21.05.2025 NC request for update. CPF16-09	22.04.2024	East	Neighbourhood Coordinator Holderness Ward	<p>Summergangs Road – Speed reduction Measures – in response to resident feedback and following liaison with the councils Highways team a number of speed reduction measures have been proposed. These address not only the speed of passing traffic but is also pedestrian visibility concerns due to the number of parked vehicles on either side of the highway.</p>	59 i. That up to £25,000 be allocated to the Holderness ward for speed reduction measures on Summergangs Road (CPF-09);	Approved	PROJECT PROGRESSING - Signed agreement sent out, NC to progress	£25,000
CPF18-01	24.06.24	East	East Area Team	<p>Security Products – Longhill and Bilton Grange Ward. The Area Team regularly hold community engagement sessions in partnership with Humberside Police and the Neighbourhood Nuisance Team with the aim of talking to residents from the area and gaining an insight for setting the ward priorities. Community Safety has been identified as a ward priority as residents have said they want to feel safer out and about in the community and whilst they are at home. The purchase of personal/home security products such as door wedges will improve home security and make people aware if anyone has entered their home, personal alarms will help alleviate the fear of crime and purse and bag products will ensure car and house keys are secure and the signal blockers will assist with less car thefts. The items will be distributed to residents who have identified and have concerns for personal safety. The East Area Place Based Tasking will monitor the success of the project.</p>	8 a. That up to £526.05 be allocated to the East Area Team for security products for the Longhill and Bilton Grange wards (CPF18-01);	Project supported. Responds to Ward priority of improving community safety. Discussions will be take place with the Neighbourhood Co-ordinator to capture the social value of the project.	PROJECT PROGRESSING - Signed agreement sent out, NC to progress	£526

CPF18-02	24.06.24	East	East Place based Tasking Partnership/ East Neighbourhood Team	<p>Nuisance Bike Signs – It has been identified at the East Place Base Tasking that there is an issue of nuisance motorbikes at Grasby, Ings/Bellfield, Longhill and Alderman Kneeshaw Parks. The NPT has stated that a lot of resource/time is spent dealing with issues and feedback they obtained from the users of motorbikes is that they were not aware that they could not ride bikes in the parks. By installing signs, printed on a A3 size metal plate will give a clear message to the park users that riding motorbikes in the parks is not acceptable and will also encourage members of the public to report the issues to the relevant agency. It is hoped that the signs will discourage this activity and reduce the time HCC staff/Police spend in addressing the issue.</p>	8 c. That up to £560.00 be allocated to the East Neighbourhood Team for Nuisance Bike Signs in Grasby, Ings/Bellfield, Longhill and Alderman Kneeshaw Parks (CPF18-02);	Project supported. CPF24-03 20.01.2025 West

Hull College

Security Access Gates – The college have obtained costing of £44,316 to install 3 gates between the reception and the main tower building, and the front access points, seeking consideration of £25,000 of CPF capital grant, and committing match investment from college reserves of £19,316. The gates will improve the safeguarding of the student population and reduce the risk of crime and ASB for up to 4,000 learners who use these environments. The gates will only give access to legitimate students and college visitors, mitigating the recurring risk of open public access, where people are stalking students and teachers, committing violent crimes, theft and public disorder and anti-social behaviours. Speed gates would change this dynamic by only allowing access one at a time and this is much easily monitored, as the system also logs people in and out and therefore improves the intel gathering. Project total cost - £44,316
Crime Prevention Fund- £25,000
Match Fund Contribution Hull College - £19,316

Approved

CPF27-04	28.04.2025	West	Pickering Ward Neighbourhood Coordinator.	<p>Nuisance Bike Signs – It has been identified at the West Place Base Tasking that there is an issue of nuisance motorbikes across the ward. We are approaching the season where we have had problems in the past on Sibelius Road, Thomas more fields and Bethune area. The NPT has stated that a lot of resource/time is spent dealing with issues and feedback they obtained from the users of motorbikes is that they were not aware that they could not ride bikes in these areas. By installing signs, printed on a A3 size metal plate will give a clear message around the Pickering Ward/Boothferry Neighbourhood to inform the public that riding motorbikes in these areas is not acceptable and will also encourage members of the public to report the issues to the relevant agency. It is hoped that the signs will discourage this activity and reduce the time HCC staff/Police spend in addressing the issue.</p>	£371 be allocated to Pickering ward for the installation of nuisance bike signage across the ward	Offer letter sent	£371
CPF27-05	28.04.2025	East	Drypool Neighbourhood Coordinator	<p>2 x Flashing Speed Sign Laburnum Avenue - Laburnum Avenue is a very well used linking road for traffic to flow within the city. Existing traffic calming measures have reduced the speed of the road however residents are asking if more can be done. However, this has been a long-standing item raise at resident meetings and street surgeries. The neighbourhood team has explored the introduction of a community speed watch to the area with no success. Speed surveys have been conducted to determine justification. Resident groups and surgery attendees have been advised and involved with this project throughout and are both in support and eager to see progress.</p>	£8,800 be allocated to the Drypool ward for the installation of two flashing speed signs on Laburnum Avenue	Offer letter sent	£8,800

COMPLETED PROJECTS

Ref	Date of CPF Meeting		Applicant	Project Summary	CPF Sub-Committee Decision	Reasons for Decision	Completed	Grant Approved	Total Approved to date	Press Release requested YES/NO
CPF1/1	19.12.22	West	Resident – Bethune Avenue	Gating Scheme - Applicant seeks grant funding to support the installation of gates to the car parking area to the rear of the properties – 13 properties in total. This is private land. Total cost of project est. £5,830 – Ward budget contribution (30%) equates to £1,749. Total CRF grant requested - £4,081	The application be agreed in principle up to 25% of the total cost of the scheme, with a further 25% being met from the Ward budget, but that more information be sought from the applicant upon the organisational structure through which they would meet the grant requirements	That for any application to be approved, it needs to be clear that it falls within the available budget and accords with the published guidance.	PROJECT COMPLETED - PH agreed to progress 30 March 2023. Funds came through end of last financial year to WB, LH to progress re carry over. On site works completed, comms & marketing to be advised.	£1,457.50		
CPF2/1	23.01.23	North	West Carr Neighbourhood Network	Building Security Improvement. Project Total costs £17, 518. Project grant request £15,766.20. Match Funding - £1,751.80. The applicant seeks grant funding support for physical security improvements to the Alf Marshall Community Centre. In summary the measures are as follows: (i) CCTV Upgrade to increase the visibility of existing cameras to use with smartphone CCTV app to remotely connect to the CCTV system for live viewing, playback and receiving event notifications; (ii) Burglar and intruder Alarm upgrade - Partial upgrade of existing intruder alarm system; (iii) Addition of an Access control system, this would replace the dated key system and allow management of selected areas, and (iv) Security shutter for the main entrance door and three front facing windows	Application be approved in principle subject to confirmation that the system to be implemented is in accordance with the Council’s requirements and compliance with the Council’s governance stipulations	Application relates to a Council building in relation to which any alterations require the consent of the Council and must accord with the Council’s requirements. The Council is subject to legal obligations in relation to the use of CCTV pursuant to the Human Rights Act which need to be followed, and installations in buildings need to accord with the Council’s contractual and building management (a-b) Director of Legal Services and Partnerships requirements so as to ensure that the safety of the building is not compromised and there is alignment with Council systems.	PROJECT COMPLETED Panel Outcome letter sent to applicant 10.03.23. Offer paperwork sent 14.03.23. Guidance sought from Property as to who is best placed to advise the applicant on the CCTV/access modifications as per resolution (14.03.23). 21.03.23 signed funding agreement rec'd. 06.06.23 - reply received from Public service Controll Room Manager, that HCC premises occupied by an external 3rd party are not monitored by Civic. Property services colleagues have liaised with the applicants payment processed W/C 12 June 2023. Works progressing on sites 10.07.23. NB - comms & marketing issued a press release March/April 2023.	£15,766.20		

CPF2/2	23.01.23	North	Beverley & Newland Ward	Northern - Neighbourhood Team. Neighbourhood Coordinator supported by Ward Cllrs	CCTV installation at Oak Road Playing Field. Project Total costs - £15,644.00. 50% to be match funded by Ward Budgets. Project CPF grant request - £7,822.00. The applicant seeks grant funding support to purchase and install of CCTV on the site of Oak Road Playing Field. The area suffers from vandalism and anti-social behaviour. In summary the measures are as follows: (i) 2 x CCTV cameras 1 to be positioned to the rear of the skate park and the other to be on the lamppost adjacent to Oak Road car park entrance: (ii) Costs £450 David Baines/NPS to cover rewiring to install CCTV on timed column; (iii) £7417 x 2 = £14834 OpenView Group quote ref 38074 Option A delivery for the attention of Martin Walker as per quote; (iv) £180 x 2 = £360 Stuart Abel ICT assist call for SIMs, and (v) Covered by Civic, real time coverage	Application approved, subject to a privacy impact assessment through the CCTV governance requirements.	The Council is subject to legal obligations in relation to the use of CCTV pursuant to the Human Rights Act which need to be followed, and installations in buildings need to accord with the Council's contractual and building management (a-b) Director of Legal Services and Partnerships requirements so as to ensure that the safety of the building is not compromised and there is alignment with Council systems. Comment from IA - He asked about how the CCTV will be installed, is it online access etc The application does state its to be monitored by Civic? No quotes provided either so cant see what type of cctv is to be used (well none in our folder). The second point he made was regarding an impact assessment, do you	PROJECT COMPLETED - CCTV Governance documentation on project file. Emailed Chair 26.02.23 (copy on project file) seeking approval to proceed. Approval of Chair to proceed received 02.03.23. Panel feedback letter sent 10.03.23. Offer corrspondance sent 14.03.23. Acceptance & Conditions Agreement returned 21.03.23. Project progressed, grant processed. 10.07.23, The new lighting and CCTV has now been installed. Ready for publicity - contact made with comms/marketing to progress.	£7,822.00	£1,457.50	Internal
CPF3/1	23.02.23	North	Beverley & Newland Ward	Northern - Neighbourhood Team. Neighbourhood Coordinator supported by Ward Cllrs, Parks and Gardens & Local policing team.	Alexandra Play Park – perimeter fencing. Project Total costs Fencing £9689.31. Project grant request total costs £4844.66 (HRA are contributing £2,000 and Parks and Gardens have agreed to fund the balance of £2,844.65). The applicant seeks grant funding support for physical security improvements to the Alexandra play park by way of security fencing. This is to stop offenders getting access to the park when closed and causing damage, allowing users to feel safer and improve the environment. This is part of a larger project to upgrade and install new accessible equipment. In summary the measures are as follows: (i) perimeter fence, rear, and side elevation, and (ii) changes to the front elevation by installing additional fencing	Application approved	Approved	PROJECT PROGRESSING - Panel feedback letter sent 10.02.23. Offer correspondance sent 14.03.23. Acceptance & Conditions Agreement returned 21.03.23. Project to be progressed by Streetscene Services - anticipate CPF funded elemant of project will be completed May, 2023. Neighbourhood Co-ordinator monitoring project. 26.08.23 - works due to be completed end of August, 2023. 10.09.23 awaiting confirmation project is complete. 10.10.2023 -Alexandra fencing has just been finished and members have just approved new locks. completed.	£4,844.66	£17,223.70	Yes

CPF3/3	23.02.23	West	Pickering Neighbourhood Coordinator supported by Ward Cllrs & the NPT	<p>To support the funding of fencing to rear of 164 Bethune Avenue & Ulverston Road.</p> <p>Project Total costs £5,850 30% Match funding by Ward Budgets of £1,755. Project grant request - Total costs £4,095. The applicant seeks grant funding support for the additional security measures in the form of a fence up to the adopted highways, which will help to prevent motor bikes cutting through alongside Bethune Avenue and Ulverston Road. This area is used by motor bikes cutting through from Ulverston Road which over time has caused a gap within the vegetation. Residents have raised concerns regards ASB due to the cut through being used as a rat run, predominantly late into the evening causing distress to tenants/residents. In summary the measures are as follows: (i) To cut back approx. 55m of hedge to establish fence line; (ii) To clear and dispose of any waste as required for access, and (iii) To supply and erect approx. 55m of 2m galvanised palisade security fencing to close off whole area.</p>	Approved, subject to a satisfactory consultation taking place with the residents.	Approved	<p>PROJECT COMPLETED - SH to liaise with NC. Panel outcome letter sent 10.03.23. Offer letter sent 14.03.23. NC to provide evidence of requested consultation - ongoing as at 14.03.23. 06.06.2023 NC confirms payment made, awaiting project completion. 10.07.23 Completed, photo in file. Comms and Marketing to make contact.</p>	£4,095	£25,045.70

CPF20-03 23.09.2024 East

Acorns Family Hub ,Nestor Grove (Longhill & Bilton Grange ward)

Acorns family Hub – Development of Outdoor Family Play Area – Fencing . The Family Hub wish to create a new outside space that will give the community access to a safe and friendly external environment for families and children. It is hoped the secure play space will divert children away from iPads, computer games etc. and be utilised by the Family Hub and partners to work with families which will improve positive outcomes for all. The grant is to provide and install a 2.4m high V Beam fencing for a length of 36m and 1 double leaf gate 3m wide and will ensure the play equipment and users of the area are in a safe environment.

£2,520 be allocated to the Acorns Family Hub, Nestor Grove for fencing of the new outdoor family play area

Discussion took place in relation to the absence of clarity upon how the application may meet the criteria.</p>	<p>NOT SUPPORTED - did not meet criteria.</p>	<p>£0</p>
CPF4/5 27.03.23	Rooted in Hull	<p>To provide 3 activities per week at the projects St Peters Street Premises, for citywide support. Three elements to the project (i) Working with "Circle of Hull" – to provide Beekeeping and gardening skills; (ii) Women's Group – "Pause" females at risk. Provide classes for growing food, cooking, arts and crafts, and (iii) Probation service referrals for ex offenders, Beekeeping and gardening skills. Total project costs - £21,000. Funding requested for (i) salaries - £15,000; (ii) cooking ingredients - £400; (iii) gardening equipment - £500; (vi) arts & craft equipment - £500; (v) guest sessions - £500; Bee Keeping equipment - £600, and (vi) management & admin costs £3,500. Total grant requested - £21,000 (100%). [10% contribution would total - £2,100, resulting in a CPF grant totalling - £18,900].</p>	<p>Application refused</p>	<p>Application does not presently fall within the published guidance. Discussion took place around how this lacking a clear pathway upon how funding would prevent crime or disorder and the fact that this appeared to be a revenue funding bid and not a bid for capital funding.</p>	<p>NFA - 24.05.23 - SH enquiry regards application letter being sent out by Dem Services regards non approval, sent to Laura and Louise for reply. Applicant chasing decision. SH updated applicant that they will be receiving a letter with a decision shortly. No further action required</p>	<p>£0</p>

CPF4/6 27.03.23

Spring Bank
Community
Centre

To provide vulnerable tenants/residents with target hardening equipment to include an installation team from the Centre. Total project costs - £88,232. Project costs - staff salaries £53,800; overheads £23; insurance, IT, stationary, Training and cleaning - £808; equipment £7500; Publicity £720 and NCVO fee £124. **Grant requested £25,000.** Match funding identified - £10,000 from the national lottery used for staff salary, and £9,000 Sir James Reckitt Charity contribute to our overall costs. £44,232 shortfall, will bid for more funding for the balance.

Application refused

Application does not presently fall within the published guidance. Discussion took place around the bid appearing to be primarily for revenue staff funding with a small allocation for equipment, with the absence of clarity upon how such equipment would be distributed and how it would link to digital inclusion, and the bid indicating that a funding gap would remain in any event, contrary to bid criteria

No further action required application refused.

CPF21-03	21.10.2024	East Area Team (Longhill & Bilton Grange)	<p>Tedworth Road – Highway Improvements – Longhill and Bilton Grange Ward - There is an area on highway that has a small turning circle that has been identified as inadequate for vehicle movement which means the area is constantly congested with damage caused to the verges that forms part of the turning circle. By making this improvement it would make the members of the community feel safer with the knowledge that the fire service/ambulances can access this part of the street with ease.</p>	<p>The application (CPF21-03) be deferred to allow further discussions to take place with Highways around how the project could be funded</p>	<p>Clarification sought on why this is not a Highways Capital project</p>	<p>Alternative funding identified to progress the project - application withdrawn.</p>	
CPF22-02	25.11.2024	Child Dynamix (Boulevard Premise)	<p>Building Improvements - supply and fit two new white uPVC windows with top opening sashes – The Child Dynamix Boulevard project opened in October 2016 providing services for children and families with additional needs. Request was for two new windows in with opening sashes to improve airflow in the room.</p>	<p>That application (CPF22-02) be refused as it did not meet the relevant criteria;</p>	<p>Rejected</p>		£0
CPF24-06	20.01.2025	North Central	Toranj Tuition	<p>The project seeks to transform their community building, Toranj Learning Centre (TLC) Beverley Road, into a more accessible, functional, and inclusive community hub. The group wish to (1) renovating the ground-floor disability toilet; (2) converting the large ground-floor room into a fully equipped kitchen; and (3) connecting two adjacent rooms on the first floor to create a fully functional conference space with a capacity of 40 people. By addressing critical gaps in accessibility, functionality, and capacity, this initiative aims to create a lasting positive impact for ethnic minority and low-income households in Hull. Specific benefits of this project are outlined within the application form. Project total cost - £22,000, . Match Fund Contribution - £2,500 – TLC will cover a project manager wage for £1,500 and use conference tables and chairs (12-15, 3-4 tables) to the sum or £1,000. Crime Prevention Fund- £ 19,500.</p>	<p>March 2025 - refused and an alternative funder is suggested to the applicant; Deferred - until further information about the project and how it meets the criteria is provided</p>	<p>CM's to provide this detail to the panel March 2025, applicant has replied via NC and updates are to be included on our summary sheet for March 2025.</p>	<p>£0</p>
