Hull City Council

Equality Impact Analysis Screening Tool 2022

The purpose of carrying out this equality impact analysis is to provide evidence that you have paid 'due regard' to the different protected characteristics when making your decision upon the policy, service, or function. It is also a tool that will enable you to meet the 3 aims of the general equality duty:

1. **Eliminating unlawful discrimination**
2. **Advancing equality of opportunity**
3. **Fostering good relations**

Title of policy, project, service, function, or strategy?
Broadway Conservation Area Character Appraisal & Management Plan

Directorate:	Regeneration
Service:	Development Management
Lead Officer:	S Walker
Date:	03/07/2025

Section 1. Introduction and Context
What is the aim of the policy, project, service, function, or strategy?
The aim of the project is to update on public consultation completed and the proposed adoption of: • A Conservation Area Character Appraisal and Management Plan.
What outcomes will be achieved with the new or changing policy/service?
Public consultation has been completed and minor amendments have been made to the Character Appraisal & Management Plan (CAMP). The Character Appraisal and Management Plan will be used to influence the formation and determination of planning applications within the new Conservation Area boundary. The character appraisal includes guidance on developments within the Conservation Area but there is no identified policies which would impact upon a protected characteristic.
Are there any associated/ linked policies, services, or procedures? If yes, please detail: Yes☒No☐
Policies 16 (Heritage) of the Hull Local Plan and section 16 of the National Planning Policy Framework

Section 2. Please use this part of the screening tool identify any positive or negative impacts on the different protected characteristics. Please ensure that you refer to any research or data you have used to identify these impacts.

Please tick at least one option per protected characteristic. Think about barriers people may experience in accessing services, how the policy is likely to affect the promotion of equality, knowledge of customer experiences to date. You may need to think about sub-groups within categories e.g. older people, younger people, people with hearing impairment etc.
